Dear Sir:

In response to the nonfinal Examiner's Action mailed April 22, 2004, having a shortened statutory period for response that expired July 22, 2004, and an extended statutory period for response that expires on August 22, 2004, the above-identified patent application is amended a first time as follows:

**AMENDMENT A**  
(37 C.F.R. § 1.111)

Amendment to the Specification:

A substitute specification is affixed hereto in response to the request by the Office. A clean version of the specification is affixed hereto as Exhibit A. Additionally, a marked-up copy is attached as Exhibit B to demonstrate the changes made to the original specification. The substitute specification is a conversion of the original specification into proper idiomatic English. The substitute specification contains no new matter.
